

# User's Guide

## Welcome

### About

The **Live Forms User's Guide** contains all the information you need to create your own forms and electronic workflows. This guide also contains the information you need to share your forms with your users and integrate them with your back end systems.

The screenshot displays the 'frevo' Expense Report form. At the top, there is a navigation bar with 'frevo' and 'frevo SYSTEMS' logos. The main form area includes a title 'Expense Report' and a 'Print Report' button. Below this, there are input fields for 'Employee Name', 'Employee ID', 'Employee Email', and 'Employee Phone'. A 'Submit' button is located below these fields. The main body of the form is a table with columns: 'Date', 'File', 'Type', 'Hours', 'Miles Traveled', 'Expense Amount', and 'Description'. The table is currently empty. At the bottom of the table, there is a 'Grand Total' row. Below the table, there is a 'Print Report' button and a 'Sign the report' button. The footer of the form contains the text 'frevo' and 'frevo SYSTEMS'.
