

User's Guide

Welcome

About

The **Live Forms User's Guide** contains all the information you need to create your own forms and electronic workflows. This guide also contains the information you need to share your forms with your users and integrate them with your back end systems.

The screenshot displays the 'frevo' Expense Report form. At the top, there is a navigation bar with 'frevo' on the left and 'frevo SYSTEMS' on the right. Below the navigation bar, the form title 'frevo' is prominently displayed. To the right of the title, there is an 'Expense Report' section with input fields for 'Expense Name', 'Expense Category', 'Expense Date', and 'Expense End'. Below these fields, there is a 'Submitter' field. The main body of the form is a table with columns for 'Date', 'File', 'Type', 'Hash', 'File Transfer', 'File Size', and 'Description'. The table is currently empty. At the bottom of the table, there is a 'Grand Total' row. Below the table, there is a 'Submit' button and a 'Sign the contract' link. At the very bottom, there is a 'Powered by frevo' footer.
